## Truck Driver CE

We are a renowned transport company in Zedelgem. We strive daily for a professional and qualitative service with an honest and personal approach to our customers. We love our flat no-nonsense culture and attach great importance to team spirit.

We offer you:

- A varied and challenging job with a Full-option Renault truck or tipper.
- A family team with a lot of experience on the counter in an open corporate culture.
- A tailor-made training plan.
- National and/or international trajectories, the choice is yours.
- You work from Monday to Friday.
- A job with certainty.

## What are your tasks?

- You are responsible for the delivery and unload of sand and granulates to both professional customers and private individuals.
- You digitally report your performance on a daily basis.
- Order and cleanliness, that's what you love. Your vehicle is the signboard of our organization.
- You work safely and environmentally conscious.
- Traffic rules and driving and resting times, you take that into account.

## What do we expect from you?

- You have a valid driving license CE and Code 95.
- If you have a forklift certificate, this is a nice bonus.
- Ideally, you already have some relevant experience. If you have not had your driver's license for a long time, this is certainly also possible.
- You can work independently and are flexible.
- You live in the vicinity of our depots in Zedelgem or Wevelgem.
